## Message

I, along with my team take immense pleasure in inviting you to these training programmes, with an intention of making you an individual with knowledge & Skill to improve your day-to-day activities to the world's best standards. All this, keeping in mind the ever-challenging field of Diesel engines and the environmental standards set by the governing authorities. India, with a keen interest of keeping up with the world standards has accepted the Euro-6 standards for Diesel engines.

These training courses are tailor made to repair a complete injector or a pump on your own. On successful, completion of these courses, you can work very efficiently & qualitatively in line with the prevailing standards.

Besides offering training, Diesel Guru Academy also provides FIP spare parts for Bosch, Zexel, Denso, Delphi, Continental VDO, Cummins and Stanadyne OEMs. German Quality & Chinese price Service tools, Test equipment and Universal calibration test benches, made in India to the highest European standards. You can buy any tool, equipment or test bench you see in our training sessions. We also offer to ship them to your location.

Wishing a very Happy Learning and a successful Journey ahead!  
Yours Sincerely,

Y. H. Srinivasa  
Diesel Guru  
(Ex. Bosch Diesel Trainer)

LDA, KSB, KKSB, MPC, LFB.

**Course Fee :** Rs.7500/- Per Candidate (Inclusive of 18% GST)

**Duration :** 3.0 days

## BOSCH DISTRIBUTOR TYPE INJECTION PUMPS TYPE VE-EDC, VP-36/37, VP-29/30/44

**Course Code :** DGA-003

**Course Type :** VE-EDC. VP-36/37, (VP-29/30/44 Only Theory)

**Course Fee :** Rs.7500/- Per Person (Inclusive of 18% GST)

**Duration :** 3.0 days

## BASIC ELECTRICALS & ELECTRONICS

**Course Code :** DGA-004

**Course Type :** Basic Electricals & Electronics related to Diesel Fuel Injection System

**Course Fee :** Rs.2500/- Per Person (Inclusive of 18% GST)

**Duration :** 1.0 days

## MULTI BRANDS CR PUMPS BOSCH CP/CB SERIES DENSO, DELPHI, CONTINENTAL VDO AND CUMMINS

**Course Code :** DGA-005

**Course Type :** Only Common Rail Pumps, Bosch CP/CB Series, Denso, Delphi, Continental VDO and Cummins

**Course Fee :** Rs.10,000/- Per Person (Inclusive of 18% GST)

**Duration :** 4.0 days

## MULTI BRAND CR INJECTORS REPAIR & TESTING STAGE 1,2 AND 3 USING MEASURING HEADS.

**Course Code :** DGA-006

**Course Type :** Passenger Car & Truck Common Rail Injectors (CRI & CRIN)  
Bosch, Denso, Delphi, Continental VDO & Cummins Injectors

**Course Fee :** Rs.15,000/- Per Person (Inclusive of 18% GST)

**Duration :** 6.0 days

## MULTI BRAND UREA DOSING UNITS REPAIR & TESTING

**Course Code :** DGA-007

**Course Type :** SCR,DPF & Urea Dosing System

**Course Fee :** Rs.5000/- Per Person (Inclusive of 18% GST)

**Duration :** 2.0 days

## MULTI BRANDS UNIT INJECTOR & UNIT PUMP REPAIR & TESTING FITTED TO PC & CV VEHICLES

**Course Code :** DGA-008

**Course Type :** UI & UP System Fitted PC, CV Vehicles

**Course Fee :** Rs.7500/- Per Person (Inclusive of 18% GST)

**Duration :** 3.0 days

## IN-LINE EDC PUMPS (ELECTRONICALLY CONTROLLED IN- LINE PUMPS AND EDC POSITIONERS)

**Course Code :** DGA-009

**Course Type :** In-line Pump with EDC Controller (RE-33 & 43 Type)

**Course Fee :** Rs.5000/- Per Person (Inclusive of 18% GST)

**Duration :** 2.0 days

## CR PUMPS REPAIR & TESTING.TYPES CP2 AND CPN2

**Course Code :** DGA-010

**Course Type :** CR High Pressure Pump CP-2, CB-18/28 & CPN Series

**Course Fee :** Rs.5000/- Per Person (Inclusive of 18% GST)

**Duration :** 2.0 days

## CAT C-9,6,5 HEUI PUMPS REPAIR & TESTING

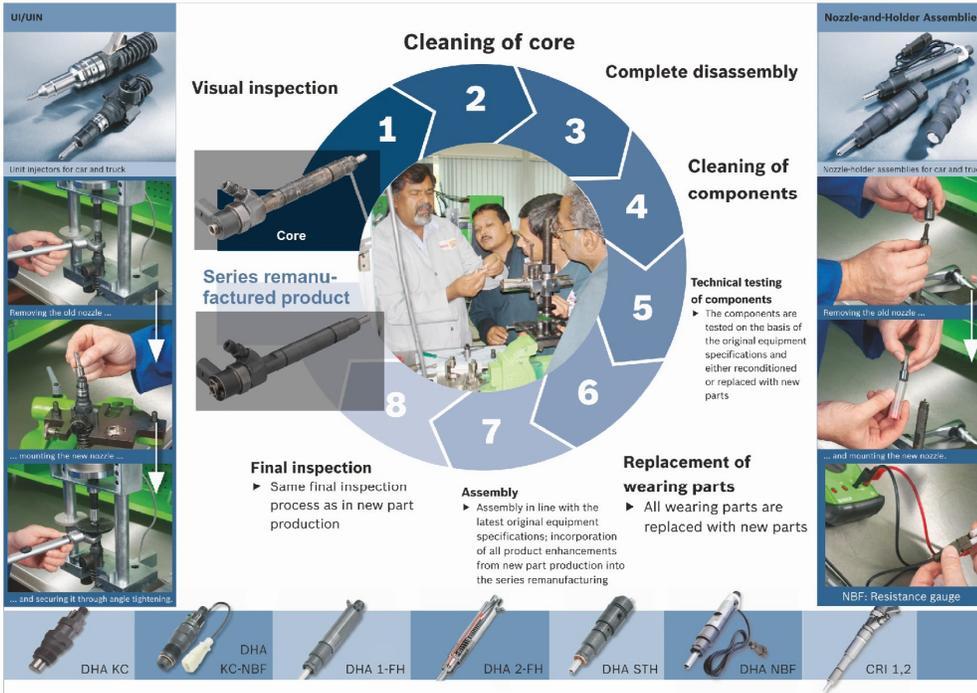

**Course Code :** DGA-011
